It's Not Too Late

It's not too late... the angel said. Even though the world's a mess... Even though you're not that young... Even though you've made mistakes and have been afraid It's not too late... And then I saw the world through the angel's eyes... I saw the colors I could paint the bridges I could build the lives that I could touch the dreams that could still come true and it became very clear to me... That it's not too late.
