

Player Spotted on the Road in Ethiopia

John Ed Clark reports that while some brothers were traveling in Ethiopia, they passed one of our preachers, brother Tefese Hankito, walking on the side of the highway. They stopped to greet him. He was on his way to the town of Aposto to attend a community meeting. He was listening to a Bible lesson on his Solar Player and was planning to be at the meeting place

early so he could set it on a table so everyone coming could also hear a Bible lesson. Preachers and church leaders all over southern Ethiopia take their solar audio players with them to public meetings, funerals and even church assemblies and play it while people gather. As a result there were 136 baptisms reported in two months following the distribution of Solar Players to these preachers.

Bolivian Connection in Costa Rica

Juan Garcia is a 1974 graduate of Sunset. After leaving Sunset, he went to Bolivia to plant the first congregation there. Christian Thompson was an AIMer in Bolivia in 2011. During his time on the field Christian met the first convert in the church that Juan planted 40 years ago. Juan returned to his home in Costa Rica, and on a recent delivery of Solar Players there, Christian placed a solar player in the hand of this long-time servant of God who is

so excited to have this tool to help mature the two congregations where he now works.
