

LIONS, TIGERS, AND BEAR!

Month #3; October has been a great month! We had our final exams first, then got on a bus and went to Phoenix Arizona. Then we started our second term with new classes and teachers and homework. My area church team also took a weekend trip to our area church in Clovis for the Shine Fall Festival. First were finals! Which went extremely well, final grades came back and I was blessed with grades all above a 95! After finals we got on a bus loaned to us by an amazing congregation in Paducah Kentucky! Our Phoenix trip was amazing; the work there is absolutely wonderful! We went on a "missionary scavenger hunt" where we did certain service and outreach projects around down-town Phoenix as well as in the residential area. We got to see historical monuments and learn some of the history of Phoenix and hand out fliers for some of the ministries that are going on there. After we got back from Phoenix we started our

second term. Our classes this term are studies on the book of Romans and Acts, Spiritual Disciplines, and studies on Church History. We are continuing our classes on evangelism and sharing the word and also we are studying as a group of guys with Kris Smith and Chris Johnson which is really awesome talking about men's rolls as leaders. We also had our annual Shine Fall Festival in Clovis New Mexico where my area church is. That was a HUGE success! I worked in the "scary hallway" and got to be the guide through the hallway. Preparation and clean up went very well, they said it was the fastest they had ever set up and cleaned up! After our Clovis Fall Festival, Sunset Church of Christ put on a trunk or treat and I was blessed to be able to help out with that by bringing my car and contribute my trunk to that ministry (I also dressed up as the joker, see picture above). We are getting closer and closer to the part of AIM where we figure out

LIONS, TIGERS, AND BEAR!

what teams we will be on and where we will be going for our field. I ask that you continue to pray for me and my class as we make our decisions on who we would like to go with and

where we would like to go. The important thing is that in whatever situation, whatever team or field, God is glorified through it and more souls are won.

You guys are amazing and I thank you so much for all your support financially and spiritually! I thank God every time I remember you. In all my prayers for all of you, I always pray with joy because of our partnership in the gospel of Christ from the first day till now! Stay strong my fellow brothers and sisters! Fight the good fight and finish the race strong!!
