
LIONS, TIGERS, AND BEAR!

Four weeks ago 36 brave souls started on a journey of immense faith. We showed up to orientation with no idea what we were getting in to! We moved into our apartments and met our roommates! Some were absolutely nuts while others were very quiet! I got the two extremes

And then we began...within a few days our workload became crazy huge. Stress increased and within a few weeks we had our first midterm test in our "Christian Evidences" class, which most of us passed with flying colors! And of course we have had small quizzes in the middle of it all. We've continued day after day of chapel, class, class, breaks and more classes.

I have been blessed with a class that loves to sing! Every day, more than a

few times per day, we sit around and sing our hearts out. Things are crazy busy around here! In between now and April we will have spent about 600 hours in the AIM classroom and traveled over 10,000 miles in a vehicle (Not including where we go in planes). Crazy right!? But none of us would trade these classes for the world!

In these first few weeks we have dove headfirst into the Old Testament starting in genesis as well as the New Testament and even deeper studies in the book of Luke (studying the life of Christ) and Philipians. Already our knowledge of God's word has grown immensely and far quicker than we could have ever imagined. It's only the first month, right? I am so excited about what is to come! Our lineup for the coming classes looks like a blast! But... that's for another news letter!

LIONS, TIGERS, AND BEAR!

You guys are amazing and I thank you so much for all your support financially and spiritually! I thank God every time I remember you. In all my prayers for all of you, I always pray with joy because of our partnership in the gospel of Christ from the first day till now! Stay strong my fellow brothers and sisters! Fight the good fight and finish the race strong!!
